

Yuletide Celebration Parade Guidelines

Parade Entry Fee - The parade entry fee is \$20 (non-refundable). Payment may be made by cash, check or credit card. **Make checks payable to WACVB, for credit cards stop at Chamber office.** There is no charge for Veterans/Military/Honor Guard Groups (American Legion, VFW, etc.) or municipal Fire/Ambulance Departments.

All Entries Must Be Decorated - The parade provides an opportunity to present your business or organization to several hundred people. Since those people have gathered for a parade, they expect to be entertained. **All parade entries will be required to provide entertainment value.** If the unit itself does not provide entertainment (i.e., a marching band, animals, restored classic cars), it must be decorated in a manner which recognizes and celebrates the holiday season. Parade officials reserve the right to turn away undecorated units at lineup.

Light it Up! – Participants are strongly encouraged to use holiday lights in decorating their parade entry. As a nighttime event, we want to create as visual of a parade experience as possible.

Unit Size – Unit size will be monitored and limited to **two vehicles and two trailers per entry.** Car clubs will be allowed up to five cars per entry; however, the parade committee reserves the right to limit any unit's length. **Please remain with your unit throughout the duration of the parade.**

Animals – You must provide a clean-up crew to follow your entry.
